Doshi-Kai Bo-Jutsu Clinic VI

Doshi-Kai Bo-Jutsu emphasizes Kumite.

Bo-Jutsu is the fundamental weapon and it stands alone from other weapons. It has been said by old masters that Bo-Jutsu is one of the wheels of a cart and Karate is the other, meaning that their techniques and philosophy complement each other. Techniques in Bo-Jutsu are very profound and can serve as the basic foundation for all martial arts. In Doshi-Kai Bo-Jutsu system, you can learn from Kihon Waza (basic blocks & attacks), Kihon Kata (basic forms), and Kihon Kumite (basic sparring) to Joukyu Kata (advanced forms) and Joukyu Kumite (advanced sparring) as well as other weapons.
